MARION ASHLEY IN FATAL FIGHT

Killed at Honea Path by
Chief of Police.

A NOTED CHARACTER.

Much Excitement Followed the Shooting
and the Anderson Company Was
Ordered to the Scene.

John Marion Ashley, a cousin of Representative Joshua W. Ashley of Anderson County, was shot and killed at Honea Path last Thursday afternoon by Chief of Police J. B. White. The shooting took place about 5.30 in the afternoon and Ashley lived until about 10 o'clock that night. Considerable excitement followed the shooting of Ashley and upon the request of Honea Path citizens Governor Heyward ordered the military company of Anderson to proceed at once to the scene of the disturbance. A special train was provided for the troops and Capt. McCully with forty men arrived in Honea Path about the time Ashley breathed his last, making the run of eighteen miles in twenty minutes. The troops took immediate control of the situation and remained in the little town until after the inquest next day, but there was nothing for them to do as everything was serenely quiet throughout the night and the following day.

John Marion Ashley was shot twice, one ball entering the breast and the other the stomach. Policeman White received a slight wound on the thumb, the same bullet splitting his belly. Eye witnesses state that Ashley fired first. As he lay on the ground, mortally wounded, Ashley tried to fire his pistol which he clutched in both hands.

Accompanied by a number of his friends John Marion Ashley was in town attending the carnival. He is said to have been drinking. During the afternoon a negro appealed to Chief White for protection, claiming that the Ashleys were giving him trouble. The officer sought the Ashley contingent and advised Marion to get out of town as he was drinking and becoming troublesome, an Ashley characteristic. This advice was resented by Jim Bob Ashley, John Marion's son, who told White that his father would go home when he got good and ready. Then it is said that the officer attempted to strike or place under arrest Jim Bob when John Marion drew his pistol and fired into the policeman. Instantly Chief White pulled his gun and fired twice in rapid succession.

John Marion Ashley was one of the men under indictment for the lynching last September of the negro Allen Pendleton. He was about fifty years old and leaves a large family.

CAPITAL STOCK NOW A MILLION.

Stockholders of the Ware Shoals Manufacturing Company Agree to Double the Capital Stock.

The capital stock of the Ware Shoals Manufacturing Company has been increased from \$500,000 to \$1,000,000. This was done at a special meeting of the stockholders of the company which was held at Ware Shoals last Thursday at noon in pursuance to a resolution adopted by the board of directors January 27, recommending an increase of the capital stock of the company and issuing a call for a meeting of the shareholders for the purpose of acting upon the proposition.

Mr. N. B. Dial, president of the company, presided over the meeting, which was attended by quite a large number of the stockholders and a majority of the board of directors. The motion to double the capital stock of the corporation was unanimously adopted and it is stated that \$300,000 of the half million additional stock will be issued at once.

Everything is moving right along at the Shoals and it is the expectation of Mr. Dial and the directors to have the mill completed and in operation within the next ninety days.

Life Imprisonment.

George Hasty, the slayer of two theatrical men at Gaffney last December, was convicted of murder with a recommendation to mercy, which saved his neck. The case will be carried to the State Supreme Court by Hasty's attorneys. Meantime Hasty will remain in jail at Gaffney.

The Misses Turner and Miss Ester, who compose "The Southern Trio", are Georgia girls of culture and refinement. They will appear at the mill auditorium Friday evening.

One of the many good points about a Buck's Cooking Stove is that they have the white enamel doors and racks. The enamel on the inside of the door reflects the heat back into the oven which makes the stove cook faster and better. Sold only by S. M. & E. H. Wilkes & Co.

THE SOUTH AND WESTERN.

New Railroad From Tennessee Heading this Way.

SPARTANBURG, March 12. — The South and Western has surveyed its route towards the coast through the coal fields of Tennessee and Virginia, and this survey is completed within eighteen miles of Spartanburg.

From Marion, N. C., to the distance above cited a large force of hands are at work. As soon as all technical points are removed the construction from Marion to Spartanburg will be entered on in dead earnest.

The fact that the road has been surveyed within eighteen miles of the city means that it will reach here soon. Construction from Marion henceforward is in progress. As soon as the contract is let, which will involve a considerable expenditure, the route of the new road, the South and Western, as to entering Spartanburg, will be announced in Laurens.

This is the same road for which a recent survey has been made in this county from Yarbrough's bridge, on Enoree River to Clinton, via of Ty-lersville and the County Home.

Prof. Frank Evans' Appointment.

Spartanburg, March 12. — The appointment of Prof. Frank Evans, superintendent of city schools, as a member of the Jamestown Exposition commission by Governor Heyward, has given general satisfaction to the people of this county. The splendid success of the Spartanburg exhibit at the Charleston Exposition was due in a large measure to work of Prof Evans.

VETERANS PAY LICENSE.

"Hardship on Old Soldiers" Put in Motion at Camden.

CAMDEN, March 7, 1906. — A number of Confederate veterans were summoned before the Mayor's Court this morning to answer for not paying their licenses for doing business in the city.

This was brought about by the recent decision of Judge Prince in the case of the city of Laurens vs. Anderson, in which he held that the Act of the Legislature exempting Confederate veterans from licenses was unconstitutional.

After this decision appeared the license committee of council decided to collect the licenses in Aiken. Those exempted by the Act were notified a week ago to pay up or appear before the mayor this morning. Twelve veterans were effected by this decision, and among that number were some of the most prominent business men of the city.

All paid their license except four and upon their promise to do so they were dismissed by the mayor.

"The Southern Trio"—Press Comment.

At the musicale given at the White House, last night, "The Southern Trio" brought down the house.—New York Tribune.

A notable feature of the evening was the singing of various songs of Southern origin by "The Southern Trio." —Newark News.

The songs they sing are very different from the ordinary ragtime con songs. They have a character and charm peculiarly their own, and are entitled to a class all by themselves. —New York Journal.

District Deputy Grand Chancellor J. B. Carlisle of Spartanburg will attend and preside over the meeting. It is also expected that Grand Chancellor B. A. Morgan of Greenville will be present on this occasion.

The local knights are planning for the entertainment of the visitors and a very interesting programme will be arranged for the meeting.

Mr. Martin Improving.

The latest news as to the condition of Mr. A. H. Martin who is ill at McColl, Marlboro county, at the home of his daughter, Mrs. C. S. McLaurin whom he was visiting when taken with an attack of cold which threatened to develop into pneumonia, is to the effect that he is resting quietly and his physicians think the worst is passed. This will be good news to his many friends throughout this section who hope for his speedy recovery.

The friends everywhere of Dr. Ludy Henderson of Waterloo will regret to know that he has been quite ill for some time and that his condition is reported to be real critical.

THE NATIONAL GAME.

Season Opened in Laurens by Babbtown and Harmony Teams.

The first game of base ball in Laurens reported to THE ADVERTISER this season was a match game of the national sport played last Friday between the Babbtown and Harmony teams.

The game is said to have been exciting enough although the score was not very close, the Babbtown boys winning the game by 23 to 5. But the Harmony team is composed of good material and before the season is far advanced that long lead set by Babbtown may be reduced.

The Bill Got Lost.

Columbia, March 12. — The outlook is there won't be any investigation into the financial affairs of Spartanburg county, and the expected sensation over the discovery of the far reaching graft will not be forthcoming from that direction until another Legislature passes upon the matter. The trouble is that the joint resolution which Senator Carlisle of that county introduced, and was so careful to see passed three readings in each House, looking to the appointment by the Governor of "three discreet persons," but "non-residents of Spartanburg county," to examine into "all of the financial affairs of said county, as expeditiously as possible," has been lost.

For the Pay Corps.

Washington, March 12. — Mr. N. B. Dial, a well known citizen of Laurens, was in Washington a few days ago arranging to have his son, Haskell Dial, prepare himself for the next entrance examination for the pay corps. Young Dial has been at Annapolis for almost four years and would have graduated at an early date but for the fact that the authorities of the school wished him to take his year over. He did not wish to lose a year this way, so he is here now and will probably get himself in shape to take the next examination for the pay corps which will shortly be held.

COUNTY SCHOOL LIBRARIES.

Teachers, take notice that the public schools of this State are requested to observe Calhoun's birthday, the 18th of March of each year, as "South Carolina Day," and on that day you shall conduct such exercises as will conduce to a more general knowledge of the history, resources and possibilities of this State. If said day should fall on Saturday or Sunday the Friday nearest to March 18 shall be selected.

WHITE STONE SPRINGS HOTEL

Was Destroyed by Fire
Sunday Night.

ENTAILED HEAVY LOSS

One of the Most Famous Summer Resorts in South Carolina Visited by a Destructive Fire.

Spartanburg, March 13. — The hotel at White Stone Springs was totally destroyed by fire Sunday night, entailing a loss of about \$30,000, with partial insurance. Some of the personal effects of the residents of the hotel were saved and the contents of several rooms were taken from the burning structure.

The hotel and grounds were purchased three years ago by Douglass & Sheffall, of Savannah, for about \$100,000 and the place was one of the best known resorts in the South. It had not opened for the season, but preparations were daily being made for the reception of summer tourists.

The flames were discovered about 8 o'clock and had their origin in the vicinity of the kitchen. The hotel is not equipped with fire fighting apparatus and the flames had full sway for three hours, the reflection being plainly visible here, a distance of about six miles.

The hotel was built about six years ago, and was one of the largest of its kind in this section, having 120 rooms. J. T. Harris developed the resort and operated it for several years before selling to Sheffall & Douglass. Many conventions have been held there, among them being the State Press Association, the State Dentists' Association, the last being the Tri-State Medical Society Convention, two weeks ago.
